713.383.7106 (Talk/Text)

Aransas Pass, Texas, 78336, USA

I am a Board Certified Safety Professional (CSP) with COO and Project Management experience that is passionate about creating safer and healthier work environments. I have a well-established reputation for implementing and overseeing comprehensive safety protocols in Oil & Gas, Wind & Solar, LNG, heavy civil construction, bridges, reservoirs, maritime operations, refinery turnarounds, and EM 385 USACE/DoD/Military Facilities Safety as a Site Safety Health Officer (SSHO) / Site Safety Health Manager (SSHM). I specialize in short-term, remote area contract jobs, but am open to all.
