1353 Oak Park Drive, Aransas Pass, Texas,
78336, United States

I am a Board Certified Safety Professional (CSP) with COO and Project Management experience that is passionate about creating safer and healthier work environments. I have a well-established reputation for implementing and overseeing comprehensive safety protocols in Oil & Gas, Wind & Solar, LNG, heavy civil construction, reservoirs, maritime operations, refinery turnarounds, and EM 385 USACE/DoD/Military Facilities Safety as a Site Safety Health Officer (SSHO) / Site Safety Health Manager (SSHM). I specialize in short-term, remote contract jobs.

Work Experience

Safety Director/Owner

Sep 2021 - Present

Scott Safety Consulting | Aransas Pass, Texas, United States

- * Reservoir Pipeline Substation EM 385 Safety, Hartsel, CO - Summer 2025 to Nov/Dec 2025?

Safety Director/Owner

Mar 2004 - May 2013

Shrimp.com | Houston, Texas Area

- * Sold the 1st Shrimp on the Internet when launching an earlier version of this company, GulfShrimp.com, in 1996
- * Provided strategic leadership, guiding the company through various challenges in the new, emerging Internet industry
- * Implemented innovative safety protocols and procedures in our processing plants to ensure the well-being of our employees
- * Sold the company May 2013

Volunteer Experience

Media Director

Jan 2015 - Present

VFW Post 2932 in Aransas Pass, Texas

I have always respected the fighting men and women of our armed forces, so I volunteered at our local VFW Post 2932 providing web-based media services. Facebook is our primary resource of marketing sponsored fairs, providing information to Vets and promoting all local VFW events to the general public.
